

CHAIRMAN'S REPORT - 2020 AGM

At this time, we are not permitted to hold our normal Annual General Meeting so have put together the various components to give you the chance to agree last year's Minutes, review the accounts and elect Trustees at a virtual AGM conducted via e-mail.

If you were there, and more than a hundred of us attended, you'll know BNWA held a really interesting "Cyber and Doorstep Crime" event at the Warren earlier this year in partnership with the Bromley Safer Neighbourhood Board, Bromley Trading Standards, Bromley Police and the Met Cyber Crime Unit. Detail on many of the issues discussed was subsequently circulated to Coordinators. All involved in organising the event agreed it was one of the most successful ever held and, when we are all permitted to meet again as a group, we plan a repeat. Something, to which we hope you will all look forward.

During 2019, we were pleased to receive some funding from Bromley Trading Standards which was used to purchase new Street Signs so if you need replacements for damaged or "lost" Signs please let us know. You will need to arrange collection and be prepared to put them up yourselves but there is no issue attaching them to lamp post using the ties provided. We also have a large supply of Window Stickers which are available to Registered Coordinators.

As always, we are keen for new, active members to become Trustees and join our Committee to share the workload. Would any Coordinator wishing to stand for election at the AGM please advise us using the e-mail address noted on our website.
