ACTION: AK

Any other business:

- DA - NW Network Code of Ethics nationally launched seemed over the top but there to be referred to if necessary. Need to explain to the members certain behaviour not acceptable.
- AK – next Newsletter to remind everyone that the National Group was funded by the Home Office and has a Code of Ethics all were expected to abide by. Add a link to them.

ACTION: AK

- JB – The Committee accepted the National Code of Ethics.
- TR – Discussion re poster and email address. Penge & Cator prime area. AK to let TR have panel Chair's name and details.
- DA – talked about OWL (Online Watch Link). Would enable a response not just a crime number. However, expensive. AK – MOPAC still to make a decision.
