

Doorstep Crime Garden & tree services

Alert 3.2

26th October 2021

Bromley Trading Standards is reminding residents to be wary of engaging the services of a trader via a leaflet or card through the door.

We are aware that residents are receiving flyers similar to the one pictured, offering tree care and garden services, which may be appealing with the autumn leaves falling but dealing with doorstep cold callers or responding to a leaflet without following our advice below risks shoddy work, a fraction of what was 'quoted' being done, having no recourse, and being substantially overcharged. The RHS has some good advice too [Hiring gardeners and contractors / RHS Gardening](#)

If you or someone you know are affected, please contact our **Rapid Response line on 07903 852090**, or **Citizens Advice** consumer helpline on **0808 223 1133**.

Trading Standards advise that residents:

Don't contact traders via leaflets that are delivered through the door – *without* making thorough checks beforehand

Don't deal with doorstep callers

Don't pay large sums of money in advance – schedule payment as works progress

Don't *assume* rubbish removal is included

Don't be rushed into making a decision – seek advice first from someone you trust.

Do get a minimum of **3 written quotes** – prepare a clear detailed brief beforehand

Do seek references, read reliable reviews, ask to visit previous jobs

Do check directly with any reputable organisation named or who's logo is shown on a leaflet/website to make sure the trader is affiliated

Do get a contract in writing **before** works commence. Check the T & C's. You are entitled to a 14-day cooling off period

Do check and verify a trader's insurance
