

**Bromley Neighbourhood Watch Association
(Virtual) Annual General Meeting
7 May 2021**

Chairman's Report - 2021 AGM - For Bromley Neighbourhood Watch Association, 2020 was a quiet year with but a single Public Meeting before various lockdown measures kicked in. At this time, we're still not permitted to hold a normal AGM so, again, we are combing e-mail with our website to agree last year's Minutes, review the accounts and elect Trustees. As things improve, we are hoping to hold another "Cyber and Doorstep Crime" event in partnership with the Bromley Safer Neighbourhood Board, Bromley Trading Standards, Bromley Police and the Met Police; something, to which we hope you will all look forward.

Minutes of (virtual) AGM on 8 May 2020 - Draft minutes were circulated and posted to the website. There being no corrections, acceptance is proposed by John Bruce and seconded by Cheryl Mulryne. There being no issues raised by the membership, the Minutes are accepted as a true record.

Confirmation of Accounts as at 31 Dec 2020 - There was little movement across the accounts during calendar year 2020 and the balance was still a healthy, £2,214.00. Acceptance of the Accounts was proposed proposed by John Bruce and seconded by Cheryl Mulryne. There being no issues raised by the membership, the Accounts are accepted as a true record.

Election of Executive Committee

The following members agreed to stand:

Alfred Kennedy - Chairman/IT/Newsletter
David House - Treasurer
John Bruce - Membership Secretary/Database
Cheryl Mulryne - Secretary
Terry Richardson - Public Relations

No issues were raised, so the Trustees are all re-elected. Cllr Kate Lymer and Rob Vale remain ex-officio members of the executive. Clifford Longley will nominally remain as President.
