

Chairman's Report - 2022 AGM

2021 was, again, a quiet year for the Association. By holding our AGM at the Spring Public Meeting of the Bromley Safer Neighbourhood Board, we're able to keep our annual costs to a minimum and are funded sufficiently to continue as we are for many years.

All 5 of our Committee members are standing again but we'd welcome new recruits to share the workload.

We continue to maintain a website that contains many informative features and through which new Coordinators are recruited, a Twitter (@AlfJK) feed and a regular stream of 'news' updates covering issues across the Borough. The eagle eyed among you may have noted a new feature on our website; a series of 'You Tube' simulation videos covering various aspects of crime prevention. These are being created by the young son of my near neighbours who is going in for the Duke of Edinburgh's Award and chose to include work related to Neighbourhood Watch as one of his tasks so, of course, we're happy to include his input.

Check out the videos when you next visit the website. The 'criminal' in each case is none other than his Dad!
